Description

Are you ready to make every fishing trip unforgettable? Introducing the Haines Hunter 400 Seawasp, the quintessential craft for anglers who value simplicity and efficiency. This model boasts a rugged, single-tone hull and deck designed to handle the unpredictable conditions of the sea. With a flat floor and a practical casting deck that offers easy storage access, it’s not just about fishing—it's about fishing smarter.

We've paired the 400 Seawasp with the ultra-reliable Yamaha F25HP 4-stroke outboard motor with tiller handle, ensuring manual start is hassle-free and mobility is effortless. The combination of the motor's alloy prop and the inclusive motor support block means you're set for stability and smooth sailing. For extended trips, the Yamaha 24L fuel tank, complete with fuel lead and primer bulb, ensures you have the fuel efficiency to go farther with confidence.

Every 400 Seawasp comes with a tailor-made Easytow trailer featuring galvanized axle, slipper springs, and hubs, plus mechanical disc brakes for superior transport safety. Navigation lights for early morning or late-night trips, a marine battery with isolation switch, and a foldable Bimini and envelope for those hot or rainy days—this package is designed with practicality in mind. It’s a boat that lets you focus on what you love: casting the line and enjoying the peace of the open waters. Whether you’re a seasoned angler or just starting out, the 400 Seawasp is your reliable partner for every adventure. Ready to make waves? Let’s talk!
