

## Haines Hunter 650R + Yamaha F200hp 4-Stroke - Pack 1 for sale online prices

\$136,490

### Description

The Haines Hunter 650R stands out as a top-tier choice for serious anglers and boating enthusiasts, offering unparalleled performance and versatility on the water. Built on the renowned Performance Deadrise V (PDV) hull, the 650R delivers exceptional stability and handling in both inshore and offshore conditions. This model, with a length of 6.75 meters and a beam of 2.40 meters, is designed to accommodate a powerful Yamaha F200HP 4-stroke engine, ensuring smooth and reliable operation thanks to features like integrated hydraulic steering and power trim with tilt control. The motor is expertly fitted with SDS stainless steel propellers and backed by thorough workshop testing and dealer support.

Complementing the robust engine is the Alloy I-Beam Easytow tandem trailer, built to handle up to 3000 kgs with features such as galvanized axles and stainless steel bearing buddies, ensuring durability and ease of transport. The trailer also includes breakaway brakes and roller rocker springs, providing added safety and smooth towing.

For navigation and fish tracking, the 650R is equipped with the Garmin UHD2 95SV Chartplotter/Sounder combo, featuring preloaded Garmin Navionics+ mapping for Australia and New Zealand. This system, coupled with a high-contrast, sunlight-readable display, makes it easier to locate your catch with traditional CHIRP and ClearVü scanning sonars.

Overall, the Haines Hunter 650R package is designed to offer everything needed for a premium boating experience, with a strong focus on performance, safety, and convenience. **PACK 2 INCLUSIONS:**

-
