#### NEW 2023 EVOLUTION 552 GOLD WITH YAMAHA 130HP FOURSTROKE FOR SALE

This Evolution 552 Gold Cuddy may well be the best fishing boat on the market today

Built for fisherman by fisherman

Bespoke hand laid full fibreglass construction, no composites, no timber in the transom, floor, and stringers. Full fibreglass, built to last  
Massive beam, (2.49 mtr), with multiple reverse chines to create lift and energy efficiency, with a ride quality that makes you think it is a much larger boat

You really need to compare the specs in Evolution Boats, to fully appreciate its onwater presence and performance from the advanced hull shape with exaggerated chines, the model length is the real hull length, not the overall length that many builders advertise today, to make you think it is a bigger boat
