**Description**

NEW 2024 EVOLUTION 652 ENCLOSED SS WITH YAMAHA 250HP FOR SALE

7.2 MTR hull length

2.44 mtr beam in the water where it counts!

1,800 kg fibreglass, no timber, no composite board, full hand laid fibreglass

Evolution Enclosed- The ultimate fishing boat designed with the experience of hard core anglers!

Evolution Enclosed is perfect for when you are offshore and the wind gets the bitter chill factor to it. There is nothing like being enclosed in the cabin of this offshore fishing machine when the weather turns sour for the dry ride home. This is the ultimate fishing machine. A Cockpit Designed For Anglers and Extended Periods on the Water

With the Evolution tradition of maximising storage room the transom has a built in live bait tank, off floor battery and oil compartments ensuring the maximum fishing area in the transom with the possibility of adding tackle boxes to the transom. Maximum Fishing Areas

The large V-berth configuration in the cabin and the option of a sliding door makes the 652 Enclosed the ideal boat for a quick snooze whilst travelling out to those fishing destinations or the odd overnigher. Clever Storage Designed by Fishermen for Fishermen

The full length rod storage in the side pockets allows for those most valuable of tools to be stored off the floor and out of the way when travelling and are still easily accessible when you arrive at your fishing destination.
