online prices

F60

Mid-Range Master

The class leading F60 has been built as one of the finest mid-range outboards ever produced. Brilliant fuel economy matched with great torque and power means versatility that is second to none.

Within the F60 is a silky smooth, 99kva, four cylinder marine engine, that delivers an excellent power-to-weight ratio and exceptional refinement and fuel efficiency.

RACING FEATURES

- 99kva four cylinder engine
- Award winning engine designs with class leading power and performance
- Forward control or optional multi-function tiller
- Variable trolling for low speed fishing
- Exclusive YDC alloy for maximum corrosion protection
- FreeWater fueling device for easy and quiet maintenance
- Compatible with all of Yamaha's premium colour and digital gauges

Available with built in garden, allowing you to see the bottom and fish. The system is compatible with all Garmin CHIRP and SideVü sonar systems.

KNOW THE WATER BETTER THAN A LOCAL

With a combination of sonar, chart data, and maps, you can know the water better than a local. The system is compatible with all Garmin CHIRP and SideVü sonar systems.

Description

The Quintrex 440 Renegade Pro Tiller Steer, a standout fishing boat that's designed to deliver an exceptional angling experience. Painted in a sleek white finish with eye-catching decals and stripes, this vessel combines style with functionality. Equipped with a Yamaha F60HP 4-Stroke Tiller, the boat offers a multifunctional tiller handle, power trim and tilt, and an electric start for easy operation. The alloy prop and fuel filter ensure a smooth and efficient ride, while the workshop fitting and testing guarantee reliability. The motor is securely bolted with a PVC backing board, and dealer delivery includes comprehensive training.

This package comes with a Quintrex braked trailer 1100ATM, featuring 13-inch alloy wheels and tyres, four alloy cross members, and a 50mm braked coupling. The trailer also includes adjustable keel rollers and long skids, a 45-square axle, clearance lights, disc brakes, and a durable rolled frame alloy I-beam. A swing-up jockey wheel and a 5:1 winch make launching and retrieving the boat a breeze. Additionally, a spare wheel and carrier with a matching tyre ensure you're prepared for any journey.

Enhancing your fishing setup, the package includes a Garmin UHD2 95SV Chartplotter/Sounder Combo with preloaded Garmin Navionics+ Australia & New Zealand Mapping. The bright, sunlight-readable 9" display, high-contrast vivid colour palettes, and traditional CHIRP and ClearVü scanning sonars provide unmatched clarity and detail. The transducer upgrade to GT56UHD adds ultra-high-definition ClearVü and SideVü scanning sonars. The Minn Kota 55-pound Riptide Terrova with i-Pilot® Link™ Integrated GPS Trolling System, Spot-Lock, AutoPilot™, and a digital maximizer ensures precise control and longer run time. The marine battery with isolation switch and a bow mount thruster plate complete this comprehensive angler's package
