FOUR-STROKE

F75

Refined Performance

With its advanced 16-valve, four-valve-per-cylinder, Single Overhead Camshaft (SOHC) design and large 3.6-liter displacement, the F75 delivers the ultimate combination of untold power and refined performance for the mid-range outboard market.

The F75's lightweight powerhead configuration, refined shaping of the combustion chamber and lean fuel burn technology, means this outboard is extremely fuel efficient, while also delivering an exceptionally smooth and quiet riding experience.

ENGINE FEATURES:

- 1800cc four-cylinder engine
- New lightweight and extremely quiet design
- Variable timing for low speed fuel saving
- Exclusive VDC alloy for maximum corrosion protection
- Freshwater flushing device for easy and quiet maintenance
- Compatible with all of Yamaha's premium control and digital gauges
- Compatible with Yamaha's Shift Campering (SCS) program

KNOW THE WATER BETTER THAN A LOCAL

When it comes to knowing your water, there's no one else out there. With the ECHOMAP UHD2 chartplotter, which offers up to 1200m of depth and mapping, and premium live sonar, you'll know the water more than anyone else.

Description

The Quintrex 450 Fishabout Pro, painted in white with modern stripes and decals, is an enhanced version of the 430 Fishabout Pro, offering more space and upgraded features ideal for both casual outings and dedicated fishing trips. The boat's robust design includes a practical layout and a range of advanced functionalities that make it a versatile choice for various water activities.

Equipped with a Quintrex Braked Trailer 1100ATM, the package includes 13-inch alloy wheels, adjustable keel rollers, and a swing-up jockey wheel for easy maneuvering. The trailer’s design ensures secure transport with its 50mm braked coupling and LED lights, providing safety and reliability on the road. For added convenience, the spare wheel and carrier come with a matching tyre, and the catch and release bracket simplifies single-person boat retrieval.

Powered by a Yamaha F75HP 4-stroke engine, the 450 Fishabout Pro delivers smooth and efficient performance, enhanced by features such as power trim & tilt and electric start. The engine is installed with precision, including a 703 control box and multifunctional digital gauges for seamless operation. Complementing the setup is a motor support block that prevents stress on the tilt assembly.

Onboard technology includes a Garmin UHD2 75SV chartplotter/sounder combo with a high-contrast 9-inch display, preloaded with Garmin Navionics+ maps for Australia and New Zealand. This system, along with the GT56UHD transducer upgrade, provides detailed underwater visuals, making navigation and fish finding a breeze. Enjoy high-quality sound with the Fusion RA70N sound system and two marine-grade speakers, ensuring entertainment on the go.

Additional features include a Bimini and envelope with front and side clears, offering shade and protection without obstructing views. The boat also boasts a marine battery with an isolation switch for dependable power, cargo netting under the cockpit for storage, upgraded windscreen grab rails for safety, and enhanced rod holders for the avid angler.

This package is crafted to deliver a superior boating experience with a balance of performance, technology, and convenience, making the Quintrex 450 Fishabout Pro a top choice for water enthusiasts

.PRO PACK INCLUSIONS:

-

QUINTREX 450 FISHABOUT PRO - Painted white, Stripes/decals, Includes all 430 Fishabout Pro inclusions(see features list below)
