Description

Get ready for unforgettable adventures with the Quintrex 520 Cruiseabout, painted in a stylish 2-tone finish. This sleek bowrider is powered by the Yamaha F115HP 4-stroke outboard engine, known for its smooth performance and fuel efficiency. The engine features forward controls, electric start, power trim and tilt, and comes with a pair of multifunctional LAN digital gauges, ensuring you're always in control. With the included SDS alloy prop, fuel filter, and dealer delivery with training, you'll be hitting the water with confidence.

The Quintrex 520 Cruiseabout sits on a Quintrex braked trailer equipped with 13-inch alloy wheels, dual adjustable keel rollers, and a 50mm braked coupling. The trailer also boasts a motor support, LED lights, and a robust rolled frame alloy I-beam construction, making transport as smooth as your ride on the water. A spare wheel and carrier are also included, providing additional convenience and peace of mind.

Outfitted for comfort and fun, this Cruiseabout features a deluxe folding rear lounge, upholstered side pockets, and a bow lounge party table. The premium steering wheel upgrade enhances handling, while the bimini and envelope with front and side clears offer excellent protection from the elements. High-tech additions like the Garmin UHD2 75SV chartplotter/sounder combo and Fusion RA70N sound system elevate your boating experience, while the ski pole and hooks ensure endless watersports enjoyment
