Description

Quintrex 530 Centre Console, a versatile vessel designed to conquer both inland and coastal waters. Measuring at an ideal length of 5.33m with a beam of 2.28m, this boat ensures stability and maneuverability for fishing enthusiasts and adventure seekers alike. The rugged, yet functional layout features 3mm top sides and 4mm bottom sides, providing a solid and durable construction suitable for a variety of aquatic environments. The centre console design maximizes deck space, offering an unobstructed 360-degree view, ideal for spotting fish or enjoying the open water.

Paired with the robust Quintrex Braked Trailer, the 530 Centre Console is easy to transport and launch. The trailer includes essential features such as 13-inch alloy wheels and tyres, 4 alloy cross members, and a 50mm braked coupling, ensuring stability and safety on the road. Its adjustable keel rollers, long skids, and a 5:1 winch make loading and unloading seamless, while LED lights and clearance lights enhance visibility during low-light conditions.

Powered by the Yamaha F90HP 4-Stroke outboard, this package delivers excellent performance with features like electric start, power trim and tilt, and a SDS alloy prop for smooth operation. The Yamaha engine is equipped with a forward control and 703 control box, offering precise control and reliability. To complement the setup, an Australian-made marine-rated battery with an isolation switch ensures reliable power, and a fuel filter keeps the engine running clean. All components are expertly installed, tested, and ready to deliver an exceptional boating experience.

This package is a testament to practical engineering and thoughtful design, offering a comprehensive solution for both novice and experienced boaters. Whether for a day of fishing or an adventure on the water, the Quintrex 530 Centre Console with Yamaha F90HP and Quintrex Braked Trailer provides everything you need to set sail with confidence.PACK 1 INCLUSIONS:
