**Description**

The Quintrex 530 Pro Centre Console, a robust fishing vessel built for serious anglers who demand reliability and performance. This unpainted model features the renowned Quintrex Blade Hull, providing a smooth and dry ride in various water conditions. With a spacious centre console layout, this boat ensures ample room for casting and moving around, making it perfect for both freshwater and saltwater fishing adventures. The boat is designed with practical features like a live bait tank, rod holders, and welded gunnels, enhancing your fishing experience by keeping everything you need within reach.

Paired with a Quintrex braked trailer, this package offers seamless transportation with 13-inch alloy wheels, dual adjustable keel rollers, and a motor support for easy loading and unloading. The Yamaha F115HP 4-stroke engine delivers exceptional power and efficiency, equipped with forward control, multifunctional digital gauges, and electric start. The Garmin GPSMAP® 953XSV chartplotter and GT56UHD transducer upgrade ensure you navigate and locate fish with unmatched precision, while the Fusion RA60N sound system keeps you entertained with high-quality audio.

Additional features include a spare wheel and carrier, catch and release bracket for effortless boat ramp use, GME GX750B VHF marine radio for clear communication, and a fully welded top deck and gunnel upgrade for added durability. With marine battery and isolation switch, this package is fully equipped for a day of fishing, offering both performance and convenience in a single, comprehensive setup.
