**Description**

The Quintrex 550 Freestyler PRO offers unparalleled versatility and style, a boat crafted for those who refuse to compromise. Painted in a sleek white, this model embodies the perfect blend of performance and luxury, featuring the complete PRO package. The boat's robust build is complemented by a Quintrex braked trailer with 1595ATM, designed for effortless transportation and secure storage. Equipped with 14-inch alloy wheels and tyres, adjustable keel rollers, and LED lighting, this trailer ensures both durability and ease of use.

Powering this vessel is the reliable Yamaha F130HP 4-stroke engine, renowned for its efficiency and smooth performance. The engine is paired with a forward control 703 control box, multifunctional digital gauges, and a high-quality SDS alloy prop. The Garmin GPSMAP® 953XSV Chartplotter/Sounder combo with transducer upgrade to GT56UHD provides crystal-clear sonar imaging, enhancing your navigational capabilities.

Inside, the 550 Freestyler PRO offers an array of features designed for comfort and convenience. The Fusion RA60N sound system with four marine-grade speakers delivers exceptional audio quality. For added practicality, the boat includes a bimini and envelope with front and side clears, offering protection from the elements while maintaining visibility. Additional touches such as a spare wheel, catch and release bracket, motor support block, ski hooks, and a transom door ensure that every outing is as smooth and enjoyable as possible.
