Experience the versatility and performance of the Quintrex 570 Renegade CC, a fishing powerhouse built to tackle any adventure. This unpainted model boasts a robust design with a fully welded top deck and gunnel upgrade, ensuring durability and a solid feel on the water. The boat's versatility is enhanced with an extra seat spigot, allowing you to configure the seating to suit different fishing conditions. The 570 Renegade's comprehensive package includes a Quintrex braked tandem trailer with 13-inch wheels, ensuring easy and secure transport to and from your favorite fishing spots.

Powering the Quintrex 570 Renegade CC is the reliable Yamaha F130HP 4-stroke engine, featuring forward control, multifunctional LAN digital gauges, and power trim and tilt. The electric start and SDS alloy prop make for smooth and efficient operation, while the motor support block prevents excessive loads on the tilt assembly. With the included Garmin GPSMAP® 8412XSV chartplotter and transducer upgrade to GT56UHD, you'll have access to high-definition scanning sonars and detailed Australia and New Zealand mapping, ensuring you never miss a prime fishing location.

The package also includes a Fusion RA60N sound system with marine-grade speakers, providing top-quality audio while you're out on the water. For communication and safety, the GME GX750B VHF marine radio offers a compact design with large LCD and waterproof speaker microphone. Dual marine batteries with an isolation switch ensure reliable power, while the catch and release bracket simplifies single-person boat hookups. Additional features include an alloy cutting board and a spare wheel and carrier with a matching alloy wheel and tire, making the Quintrex 570 Renegade CC a complete and ready-to-go fishing vessel.
