**Description**

This is the Quintrex 570 Renegade SC that's all about getting you out on the water without any fuss. It's not painted, so you know you don't need to fuss over protecting the paint. This beast sits on a Quintrex braked tandem trailer that's built tough with 13-inch wheels, LED lights, and a winch to make loading a breeze. Plus, it's got this handy catch and release bracket, making it a one-person job to hook up at the ramp. And don't worry about getting stranded; there's a spare wheel and carrier thrown in too.

Under the hood, we're talking a Yamaha F115HP 4-stroke engine. This thing is kitted out with all the goodies like electric start, power trim and tilt, and those fancy digital gauges to keep you in the know. It's been bolted on proper by the workshop, so it's ready to roar. We've even thrown in a motor support block to keep everything tidy and prevent any unnecessary stress on your tilt assembly. Steering's a dream with the hydraulic upgrade and a premium wheel to boot.

For the tech heads, there's a Garmin GPSMAP® 953xsv Chartplotter/Sounder combo. This isn't your average fish finder; it's top-of-the-line with Garmin Navionics+ and built-in sonar compatibility. Communication's sorted with a GME GX750B VHF Marine Radio, waterproof and everything. To round it all off, there's a marine battery with an isolation switch for peace of mind, and an extra seat spigot for when you need to mix things up. This boat's got all you need and then some. **PACK 2 INCLUSIONS:**
