

## Quintrex 610 Territroy Legend + Yamaha F150HP 4-Stroke - Pack 2 for sale online prices

\$86,990

### F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearl-resist white, the F150 model line-up brings a new level of next-generation boating.

#### ENGINE PERFORMANCE

- 2785cc (Digital Control) or 2670cc (Mechanical Control) engine options.
- Four-cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in tilt limiter.
- 2 colour options with raised graphics.\*

SPECIFICATIONS

Gear Ratio	2.00:1
Warranty	3 Years / 1000 Hours

## Description

When it comes to performance the Quintrex 610 Territory Legend is at the top of the tree, with the same hull as the Quintrex Trident minus the weight of a cabin. This fully carpeted fishing boat features a marine radio, rear ladder, scuppers, anchorwell, and blade hull for a seamless boating experience. The bow mount thruster plate, extruded side decks, side pockets, and welded gunnels and top decks enhance functionality, while hydraulic steering ensures smooth handling

Accompanying this legendary boat is the Quintrex braked tandem trailer with 2000ATM, boasting 13-inch tires, four alloy cross members, a 50mm braked coupling, and LED lights. The rolled frame alloy I-beam and loader cradle ensure secure transportation, while the 10:5:1 winch facilitates easy loading

Powering the 610 Territory Legend is a robust Yamaha F150HP 4-stroke engine, featuring electric start, power trim and tilt, and integrated hydraulic steering. The package includes forward control with a 703 control box, two multifunctional digital gauges, and a stainless steel prop. The Garmin UHD2 95SV chartplotter/sounder combo with preloaded Navionics+ mapping and a bright 9-inch display ensures precise navigation. Additional features like a marine-rated battery with an isolation switch, bimini and envelope for shade, and a transom door complete this premium package
