Description

When it comes to performance the Quintrex 610 Territory Legend is at the top of the tree, with the same hull as the Quintrex Trident minus the weight of a cabin. This fully carpeted fishing boat features a marine radio, rear ladder, scuppers, anchorwell, and blade hull for a seamless boating experience. The bow mount thruster plate, extruded side decks, side pockets, and welded gunnels and top decks enhance functionality, while hydraulic steering ensures smooth handling

Accompanying this legendary boat is the Quintrex braked tandem trailer with 2000ATM, boasting 13-inch tires, four alloy cross members, a 50mm braked coupling, and LED lights. The rolled frame alloy I-beam and loader cradle ensure secure transportation, while the 10:5:1 winch facilitates easy loading

Powering the 610 Territory Legend is a robust Yamaha F150HP 4-stroke engine, featuring electric start, power trim and tilt, and integrated hydraulic steering. The package includes forward control with a 703 control box, two multifunctional digital gauges, and a stainless steel prop. The Garmin UHD2 95SV chartplotter/sounder combo with preloaded Navionics+ mapping and a bright 9-inch display ensures precise navigation. Additional features like a marine-rated battery with an isolation switch, bimini and envelope for shade, and a transom door complete this premium package
