**Description**

The Quintrex 630 Freestyler stands out as a premium bowrider, beautifully finished with a 2-tone painted hull that enhances its sleek design. This versatile boat is ideal for both thrilling water sports and leisurely cruising, supported by a powerful Yamaha F200HP DEC 4-stroke engine. This advanced motor offers fly-by-wire technology, integrated hydraulic steering, and digital electronic control, ensuring smooth and responsive handling on the water. The boat is also equipped with a braked tandem trailer designed for durability and ease of use, making transportation hassle-free.

Onboard, the 630 Freestyler is loaded with features that enhance both comfort and functionality. The Garmin GPSMAP® 953XSV chartplotter and sounder combo, paired with an upgraded GT56UHD transducer, provides top-of-the-line navigation and sonar capabilities. The Fusion RA60N sound system, with a total of four speakers, ensures that high-quality sound accompanies every adventure. For added convenience, the boat includes a catch and release bracket, making single-person launching and retrieval straightforward. Additionally, a bimini and envelope with front and side clears offer protection from the elements, while the ski hooks and windscreen grab rail cater to the needs of both anglers and water sports enthusiasts.
