Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	Q650THTP2-0124
Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

the Quintrex 650 Trident Hard Top, a robust and reliable offshore fishing boat designed to conquer open waters. This model stands out with its fully enclosed hardtop featuring sliding side windows and a windscreen wiper kit, making it perfect for all weather conditions. The white painted hull with stylish decals ensures you look good while navigating through the waves.

The Quintrex 650 Trident Hard Top comes equipped with a Yamaha F175HP 4-stroke outboard motor. This powerful engine offers forward control with a 703 control box, two multifunctional digital gauges, integrated hydraulic steering for smooth maneuvering, and power trim and tilt with an integrated limiter. It is workshop fitted, tested, and includes a bolted-on PVC backing board, loom, and control cables, ensuring peak performance on every outing.

To enhance your fishing experience, this boat includes a Garmin ECHOMAP™ UHD2 95SV Chartplotter/Sounder Combo with preloaded Garmin Navionics+ mapping for Australia and New Zealand. The bright, sunlight-readable 9” display, along with traditional CHIRP and ClearVü scanning sonars and a fitted Garmin GT56 transducer, ensures you have the best tools for locating fish. Additionally, the Fusion RA70N sound system with two speakers provides high-quality marine-grade audio, and the large bait board/fishing station, along with cabin backrests and a carpeted cabin lining, make for a comfortable and efficient fishing trip.

Riding on a Quintrex hydraulic-braked tandem trailer with 14-inch wheels and loadshare hydraulic brakes, the 650 Trident Hard Top is easy to tow and launch. The trailer features five alloy cross members, a 50mm coupling, a 7-pin plug, an actuator, a 45 square axle, and an easy loader cradle, ensuring stability and security during transport. The boat also includes a spare wheel and carrier with a matching alloy wheel and tire, motor support block, marine battery with isolation switch, cabin backrests, and a high-pressure deck wash system for convenience and safety on the water.PACKAGE 2 INCLUSIONS:
