

Quintrex F390 Explorer + Yamaha F25hp 4-Stroke - Pack 3 for sale online prices

\$16,390

FOUR-STROKE

F25

Next-Gen Efficiency

This new generation outboard is not only an improvement on the four-stroke model it replaces, but also exceeds the all-round capabilities of Yamaha's legendary 25 hp outboard. For the first time in Yamaha's four-stroke history, the new F25 comes with battery-less fuel injection - delivering easier starts, better fuel economy and an improved overall operating performance.

ADVANCED PERFORMANCE

- 432cc twin-cylinder engine.
- Yamaha's first battery-less electronic fuel injection.
- Variable timing for low-speed lure fishing.
- Forward control or other options.
- Available in electric or pull-start and manual or power trim and tilt.
- Exclusive YDC alloy for maximum corrosion protection.
- Freshwater flushing device for easy and quiet maintenance.
- Compatible with all of Yamaha's premium colour and digital gauges.

Description

Experience the Ultimate in Versatility and Performance with the Quintrex F390 Explorer

Embark on your next aquatic adventure with the Quintrex F390 Explorer, a harmonious blend of functionality, durability, and style. This remarkable vessel, powered by the reliable and efficient Yamaha F25HP 4-Stroke Long Shaft engine, is designed for those who crave both leisure and excitement on the water. The multi-functional tiller handle offers precision control and ease of use, ensuring a smooth and enjoyable experience for boaters of all skill levels. With a length of 3.99 meters and a beam of 1.82 meters, the F390 Explorer is spacious enough to comfortably accommodate up to four people, while maintaining a sleek and manageable profile.

The F390 Explorer is not just about performance; it's also about comfort and convenience. The boat comes equipped with a plush carpeted floor, providing a comfortable and non-slip surface. The casting platform, a dream feature for fishing enthusiasts, allows for an elevated view of the water, making it easier to spot and catch fish. Additionally, the package includes a practical fuel tank rack and a robust marine battery, enhancing the boat's functionality. Whether you are a fishing aficionado or enjoy cruising with family and friends, this boat adapts seamlessly to all your needs.

Safety and compliance are paramount, and with the F390 Explorer, you are all set to hit the waters with confidence. The package includes registration for both the boat and trailer, ensuring you are compliant with regulations. To further enhance your peace of mind, the package comes complete with full in-shore safety gear, including essential items for emergency situations. This Quintrex Explorer, when combined with the Yamaha 24L fuel tank, offers extended range and reliability, allowing you to explore further and with greater assurance. The Quintrex Light Alloy Short 749ATM S trailer, included in the package, makes transportation and launch a breeze, rounding off what is truly an exceptional offering for the boating enthusiast.
