Description

HULL ONLY

With a Fighter Series hull, the Quintrex F390 Outback Explorer boasts wider chines than traditional v-nose designs, offering enhanced stability at rest and greater storage space for your fishing gear. The sharper entry point ensures an impressively smooth ride, making this boat perfect for navigating diverse waterways.

The F390 Outback Explorer spans 3.99 meters in length and features a beam of 1.82 meters, accommodating up to four people comfortably. Powered by a maximum 25hp engine, this boat is lightweight at 119kg, ensuring easy maneuverability and transport. The model includes practical features such as a glove box, anchor gusset, and transom handles, along with optional extras like a casting platform and bow mount thruster plate for a tailored boating experience

Ideal for families, tendering, or simply enjoying a day on the water, the F390 Outback Explorer provides a versatile and reliable boating solution. Customize it with options like a carpeted floor, rod holders, and a vinyl wrap to match your specific needs and preferences
