**Description**

The ultimate blend of practicality and performance with the Quintrex F390 Outback Explorer. This unpainted model is built to endure rugged conditions, boasting an efficient design that's both lightweight and robust. The F390 features the advanced Fighter Series hull, offering superior stability and a smoother ride compared to traditional v-nose designs. With a maximum length of 3.99 meters and a beam of 1.82 meters, it comfortably accommodates up to four people, making it ideal for family outings or fishing trips with friends. The durable construction includes 1.6mm top and bottom sides and a 25hp rating, ensuring reliability and power on the water

The package includes a Yamaha F15HP 4-stroke engine with a tiller handle and manual start, delivering reliable performance and easy maneuverability. The alloy prop and dealer delivery with training ensure you're ready to hit the water with confidence. Additionally, the 24L Yamaha fuel tank comes with a fuel lead and primer bulb, providing ample fuel capacity for extended adventures.

For seamless transport, the Quintrex Light Alloy Short trailer features 13-inch steel galvanized wheels, adjustable keel rollers, long skids, and a swing-up jockey wheel. It also includes a 50mm coupling non-brake system, motor support, and LED lights, ensuring safety and convenience during transport. This package is meticulously designed to offer an all-in-one solution for boating enthusiasts looking for a reliable, easy-to-use setup
