

Quitrex F420 Explorer Side Console + Yamaha F40hp 4-Stroke - Pack 4(SC) for sale online prices

F40

Power To Impress

Powerful, efficient and reliable, the F40 combines the benefits of Yamaha's Multi-Phase Electronic Fuel Injection (MPEFI) system, with a Micro-Processor Controlled System to deliver optimal running fuel and fuel timing, improved fuel economy, variable fuel injection, lower emissions, and an overall smoother and quieter operation.

The compact F40's 3 cylinder, marine engine delivers the optimal balance of power, torque and efficiency for exceptional versatility in both recreational and commercial applications.

AMPHIBIOUS POWER PERFORMANCE

- 3-Cylinder engine design
- Compact and powerful design with exceptional fuel efficiency.
- Variable timing for low speed fuel timing.
- Forward control for optimal fuel injection.
- Exclusive VDC alloy for maximum corrosion protection.
- Freshwater flushing system for easy and quick maintenance.
- Compatible with all of Yamaha's premium colour and digital gauges.

Description

Discover the versatility and reliability of the Quintrex F420 Explorer Side Console. This unpainted model is an affordable option for fishing enthusiasts looking to navigate creeks, rivers, and estuaries. Built with a robust design, it features a front and rear casting platform, carpeted floor, and extruded side decks, making it a practical choice for both novice and experienced anglers. The side console layout ensures easy control and maneuverability, complemented by the transducer bracket and bow mount thruster plate, perfect for those planning to add an electric motor.

This boat package includes a Yamaha F40HP 4-stroke engine, complete with power trim and tilt, electric start, and multifunctional digital gauges. The engine is workshop-fitted and tested, ensuring reliability on the water. The package also features an Australian-made marine battery with an isolation switch, enhancing safety and convenience. For transportation, the Quintrex Light Alloy Short 749ATM trailer comes equipped with 13-inch galvanized wheels, adjustable keel rollers, and long skids, providing a secure and smooth towing experience. Additionally, a spare wheel and carrier are included to ensure you're always prepared.

Ideal for both leisurely trips and serious fishing outings, the F420 Explorer boasts practical amenities such as two rod holders, a transducer bracket, and a bow mount thruster plate. Its lightweight yet durable construction, paired with the powerful Yamaha engine, makes it a top choice for those seeking a dependable and versatile tinnie for all their aquatic adventures
