Description

Step into adventure with the Yellowfin 5800 Soft-Top Cabin, sporting a stylish yellowfin stripe and decals. This boat combines ruggedness and sophistication, perfect for any fishing escapade. Equipped with a powerful Yamaha F115HP 4-stroke engine, the 5800 ensures smooth and reliable performance on the water. The engine features forward control with a 703 control box, multifunctional LAN digital gauges, power trim and tilt, and an electric start, making navigation a breeze. The included Yamaha Trim Limit Switch and Motor Support Block enhance safety and durability, ensuring worry-free boating.

Your 5800 Soft-Top Cabin sits on a Yellowfin Braked Tandem Trailer with 13-inch alloy wheels and tyres, designed for easy transport and stability. The trailer features disc brakes, a 50mm coupling braked (2-tonne), and a swing-up jockey wheel, among other features, ensuring your boat is ready for any journey. A matching spare wheel and carrier add convenience, so you're always prepared for the unexpected.

Navigational prowess is boosted with the Garmin UHD2 95SV Chartplotter/Sounder Combo, preloaded with Garmin Navionics+ Australia & New Zealand Mapping. The sunlight-readable 9-inch display, high-contrast vivid colour palettes, and traditional CHIRP and ClearVü scanning sonars provide clear and accurate information. For communication, the GME GX750B VHF Marine Radio offers a large LCD, waterproof speaker microphone, and dual and triple watch capabilities. The Australian-made marine battery and isolation switch ensure reliable power supply, rounding out a package that's built for serious boating. PACKAGE 1 INCLUSIONS
