### Description

Check out the Yellowfin 6200 Soft Top Cabin, a fully painted offshore machine built for serious bluewater fishing. Featuring the renowned Marine Core HD Hull, this boat is designed to handle rough weather with ease. The Self Drain Deck ensures peace of mind by guiding water through the scupper system, eliminating the need for a bilge pump. The Yamaha F150HP 4-Stroke engine provides reliable power, complete with hydraulic steering, electric start, and power trim & tilt.

The Yellowfin Hydraulic Braked Tandem Trailer makes transporting your 6200 a breeze. With five alloy cross members, a 50mm coupling braked to 2 tonnes, and an easy loader cradle, it's robust and convenient. The Garmin GPSMAP® 953XSV chartplotter/sounder combo, preloaded with Australia & New Zealand mapping, ensures you never lose your way, while the GME GX750B VHF marine radio keeps you connected. The Bimini and envelope with front and side clears provide excellent protection from the elements without compromising visibility.

Inside, the 6200 Soft Top Cabin offers a comfortable 3-quarter rear lounge with backrest, high-pressure deck wash, cabin cushions, and a bunk infill cushion for extra sleeping space. A transom cutting board with rod holders, under-tray storage, and a large drainage tube make it a fisherman's dream.
