

Yellowfin 7600 Soft Top Cabin + Yamaha F225hp 4-Stroke - Pack 1 for sale online prices

\$121,990

Description

Presenting the Yellowfin 7600 Soft Top Cabin, the ultimate companion for offshore adventures. This beast is powered by a Yamaha F225HP 4-Stroke engine, boasting a forward control with a side concealed control box, fly-by-wire system, and integrated hydraulic steering for digital electronic control. The power trim and tilt feature with the TotalTilt integrated limiter ensure easy handling, while the electric start and SDS stainless steel prop provide a smooth and reliable ride. It's not just about power and performance; the Yellowfin 7600 comes fully fitted and tested with dealer delivery and training included.

Navigational prowess is guaranteed with the Garmin GPSMAP® 953XSV chartplotter/sounder combo, preloaded with Garmin Navionics+ Australia & New Zealand mapping and built-in sonar compatibility. Communication is seamless with the GME GX750B VHF Marine Radio, featuring a large LCD, waterproof speaker microphone, and dual and triple watch with programmable priority channel. Safety and convenience are top-notch with the Australian-made marine battery and isolation switch, ensuring you're always ready for your next fishing trip.

Transport is a breeze with the Yellowfin hydraulic braked tandem trailer, designed to handle up to 3200ATM with six alloy cross members, LED lights, and a swing-up jockey wheel. This robust setup includes a 50mm coupling braked to 3 tonnes, 7 pin plug, and forward-facing white light for maximum visibility and safety. The motor support block prevents the motor from returning to the vertical position, reducing strain on the tilt assembly. Whether you're headed to your favourite fishing spot or exploring new waters, the Yellowfin 7600 Soft Top Cabin is your reliable and powerful partner on the water.
