

## Yellowfin YF-70F Extended Cabin Fishing Edition + Yamaha F250hp 4-Stroke - FISHING EDITION

### Description

Introducing the Yellowfin YF-70F Extended Cabin Fishing Edition, this boat is as good as it gets and is built for serious offshore adventures. With its two-tone paint job and heaps of cabin space, this beauty is as tough as they come. The YF-70F's rugged Offshore HD-R Hull ensures you can tackle any conditions with confidence.

Under the hood, the Yamaha F250HP 4-stroke engine delivers smooth, reliable power. With forward control, side concealed control box, and fly-by-wire tech, you get top-notch performance. The twin Garmin GPSMAP® 8416XSV units come loaded with maps and high-def displays, making navigation and fish-finding a breeze.

The Savwinch 1000CS drum anchor winch, made from stainless steel and featuring an oversized worm drive gearbox, ensures you stay anchored in place. Crank up your favorite tunes with the Fusion RA210 sound system, which includes Bluetooth and quality marine-grade speakers. Safety is boosted with the Garmin 215i AIS marine radio, which helps you communicate with other boats and improves your chances of a speedy rescue if needed.

The Fishing Edition upgrades include a deluxe bait station, comfy helmsman and navigator seats with suspension, and a large helmsman seat box with an upright fridge. Inside, you'll find carpeted cabin lining for better insulation, cabin cushions with cushion infill for extra comfort, and a lockable cabin roller door for security. The dark floor trim, steering wheel, and dash trim give the interior a sleek look, while the high-pressure deck wash and burley bucket kit make cleanup and fishing prep a breeze.

Getting the Yellowfin YF-70F to your favorite fishing spot is easy with the hydraulic braked tandem trailer. It features a rolled frame alloy I-beam, easy loader cradle, and LED lights. The package also includes a spare wheel and carrier with a matching wheel and tire, and a spare wheel cover. With dual marine batteries and an isolation switch for reliable power, plus a wireless phone charger mounted on the dash, this boat is ready for any adventure. The Yellowfin YF-70F isn't just a boat; it's your new best mate for fishing trips.
