

Yellowfin YF-76 Extended Cabin + Yamaha F250hp 4-Stroke - Pack 2 for sale online prices

\$160,690

Description

Introducing the Yellowfin YF-76 Extended Cabin , your go-to hardcore offshore boat for serious fishing adventures and family outings. With a spacious extended cabin, this boat is ideal for Aussie conditions, offering plenty of room to relax after a day on the water. Its robust build, complemented by a Yellowfin hydraulic braked tandem trailer with a 3200 ATM capacity, ensures a stable and smooth towing experience. The trailer's 6 alloy cross members and 50mm coupling braked system provide dependable support, making transportation a breeze.

Powered by a Yamaha F250HP 4-stroke engine, this Yellowfin delivers unmatched performance and efficiency. The advanced digital electronic control (DEC) and fly-by-wire technology allow precise maneuverability, while the power trim & tilt feature enhances handling in varying water conditions. A motor support block is included to keep the engine secure, and the dual marine batteries with an isolation switch ensure reliable power. For navigation, the Garmin UHD2 95SV chartplotter/sounder combo with preloaded Garmin Navionics+ maps for Australia and New Zealand guarantees you'll find the best fishing spots.

The YF-76 is equipped with a Fusion RA210 sound system and two speakers for top-notch marine audio, and the cabin cushions, bunk infill, and carpeted cabin lining add comfort for overnight stays. Additional features like the deluxe bait fishing station, high-pressure deck wash, and the upgraded transducer to GT56UHD cater to all your angling needs. Whether you're navigating coastal waters or enjoying a serene day on the lake, the Yellowfin YF-76 Extended Cabin delivers in style and performance.

Please note that images used are of the YF-76F(Fishing Edition) and may include features not included in this model or package. Please refer to the below listing details for inclusions.PACK 2 INCLUSIONS:
